COVENANT RELATIONSHIP WITH CHAPLAINCY OF FULL GOSPEL CHURCHES

I _____ enter into this Covenant relationship with Chaplaincy Full Gospel Churches (CFGF) as a pledge to abide by the published Statement of Faith & Policies of the organization. This relationship is a professional and ministry relationship for my endorsement and or ordination. I understand that it is required of me to remain in a good standing with the main office thru at least semi-annual reports, emails, personal information updates along with prayerful and covenanted financial support. I further promise to notify the CFGF office of any changes to my address, contact numbers, email addresses and assignment or employment.

CFGF promises to provide prayer coverage, professional pastoral guidance and support along with administrative support and documents needed for the employment I am endorsed for. CFGF will strive to provide helpful ministry information and or training to assist in the development and growth of our endorsed/ordained chaplains.

CFGF is a faith ministry and a Federally recognized Non-Profit (501(c)(3) tax-exempt organization. We neither conduct fund raising events nor receive government funding. CFGF requires a Covenant Agreement of financial support from the Chaplains and Ministries that carry an endorsement and or ordination from CFGF to cover operational expenses.

All our endorsed/ordained chaplains will send an amount of not less than 5% of their pay (that they receive for the ministry they are endorsed for) to the CFGF home office in support of the total ministry of Chaplaincy of Full Gospel Churches. Without the support of our chaplains, we would not exist; similarly, without the CFGF endorsing agency, independent Full Gospel chaplains would have difficulty receiving a federally recognized & accredited endorsement. (You may consider this 5% Covenant Giving as 1/2 of your tithe as CFGF is a faith-based ministry serving God and mankind.)

Covenant. By signing this Covenant with CFGF, I am covenanting to obey scripture and abide by this Covenant with CFGF as long as I have credentials with them. I recognize my giving supports the Kingdom's work and CFGF has agreed to provide me an annual financial statement reflecting my giving. I also acknowledge that should I violate this Covenant and not respond to CFGF's efforts to restore this Covenant and our professional and ministry relationship, CFGF has the right and obligation to and may withdraw my endorsement and or ordination.
